San Jose State College

ATTEND  
THE A.Y.H. MEET  
TODAY AT 11

VOL. XXVI SAN JOSE, CALIFORNIA, TUESDAY, JANUARY 11, 1938 Number 60

## COUNCIL PLANS HUGE ASSEMBLY

### AYH Leader To Speak

MEETING WILL  
BE OPEN FOR  
ALL STUDENTS

LEADERS' LUNCH  
WILL FOLLOW  
AT NOON

The American Youth Hostel movement will be launched in this community today with a meeting at which Miss Betty Blodgett, field worker for the AYH will be featured.

The meeting, which is open to all, will be held in the Little Theater at 11 and will be followed by a luncheon for prospective leaders and sponsors for the organization. Miss Gail Tucker, backed by the Women's Physical Education department, is sponsoring the movement here.

**EUROPEAN HOSTELS**  
Youth Hostels are found in 19 countries in Europe and are much used by the young people of those nations. Since 1934 they have been adopted in this country and 110 Hostels have appeared.

The Hostels are overnight stopping places for hikers and bicyclers and provide facilities for cooking, eating, sleeping, bathing, and recreation. They are usually found in chains or networks to facilitate travel. They are well supervised by a house mother and a house father. The cost is but 25 cents per night. Hostellers bring their own food.

**AYH PASSES**  
American Youth Hostels may be used by any person between the ages of 4 and 94 holding an AYH pass which may be had for \$1.00 by persons under 21, and \$2.00 for those over. This fee includes a year's subscription to the AYH Knapsack, official quarterly publication.

"As many Hostellers are of college age, this movement should be of special interest to college students," said Miss Tucker. Goldsmith or Miss Mildred Marconi.

### EXPLAINS HOSTELS

Miss Gail Tucker, Women's Physical Education instructor and sponsor of the AYH movement here, is shown pointing out the hostels already established in other parts of the United States. Miss Betty Blodgett, field worker for the American Youth Hostels, who will speak today, is shown looking on.

### New Radio Speaking Society To Hold Tryouts Thursday; All Persons May Participate

#### FIRST YEAR ART MAJORS TO MEET

Freshmen Art majors will meet today between 11:30 and 1:00 at the home of Mrs. Ruth Turner, head of the Art department. The meeting is being held there so the students may see the Christmas decorations Mrs. Turner made. These include cellophane curtains and wall decorations.

While there the class will have luncheon and probably hear a short talk by the instructor.

#### Members Broadcast Programs From Local Station

By LUCILLE SPANGLER

Have you ever had the urge to go on the radio? Have you ever thought to yourself, "I do seem to have a rather nice speaking voice. I wonder if I could do anything with it?" If you have, here is your chance to find out just what you have in the way of a radio voice.

The newly formed Radio Speaking Society is holding tryouts for interested students Thursday afternoon from four to six in Room 165. All persons who wish to try out should prepare two selections that may be read in not more than two minutes. These may be either announcements, dramatic monologues, poems, descriptions of scenes or incidents, or news commentaries. They should be chosen in such a way as to best demonstrate the versatility, diction, and general ability of the individual reading the passages.

This society gives its members actual radio experience by broadcasting over the local station, KQW. This quarter a series of one-act plays will be given, which will be written and directed by members themselves.

Tryouts will be held before the present members of the club, and acceptance into the society will be by a majority vote of these members.

### EXECUTIVE GROUP POSTPONES ACTION ON GOLD FOOTBALLS, APPROVES ATHLETIC AWARDS

#### DRIVE FOR FUNDS GIVEN SUPPORT; PARTIAL REPORT ON BOAT RIDE PRESENTED

Definitely selecting O'Brien's Pompeian Court for the annual organization dinner on February 8, and setting February 10 for a huge athletic award assembly, the student council last night met in regular executive session. The governing group also passed unanimously the list of athletic awards for the fall quarter, 1937, as presented by Graduate Manager Gil Bishop.

#### CROWD EXPECTED

Upon the report of Bob Free, the council settled the meeting place for the organization dinner, and according to President Marsh, at least 75 group heads are expected at the get-together.

After the awards had been passed upon, plans for the assembly were completed, and it was set for 11 o'clock Tuesday, February 10. The matter of gold footballs for the outstanding grid team was discussed and laid on the table until more knowledge concerning prices and money available could be gathered.

The council gave its support and consent to the YM-YW for a fun drive to aid the needy Chinese and Japanese students in the foreign countries.

#### BOAT RIDE

No definite report was given concerning the proposed boat ride and Chairman Bill Van Vleck is awaiting replies from various persons regarding the pleasure cruise, the council was told.

Councilman Don Walker reported that several students had suggested more checker tables and chess games. The matter will be taken up immediately. A report from Spartan Daily Editor Wilbur Korsemeier on the number of papers being printed was heard, and Korsemeier was advised to have 200 more copies printed on Monday, Wednesday, and Friday.

### Last Chance For LaTorre Photos To Be January 20

Because the LaTorre deadline is fast approaching, class officers and student council members are urged to make an appointment at the downtown Coleman Studio immediately, announced Arthur Van Horn, year book editor.

This is a change from the former announcement that picture arrangements may be made by signing on the bulletin board in the Publications office.

All students who wish to have their pictures in the annual must have them taken before Thursday, January 20, which is absolutely the final deadline for all pictures. Any picture after this date will not be accepted by LaTorre, Van Horn stated.

Appointments may be made at any time at the Coleman Studio.

#### Mosher Speaks

Dr. Raymond M. Mosher of the Psychology department spoke to the faculty of Santa Barbara State college recently upon the needs and changes for improvement of college instruction.

### POLICE SCHOOL HEAD TO SPEAK

Mr. William A. Wiltberger, head of the police school, will be guest speaker at the regular meeting of the San Jose State college Patrons Association Thursday at 2:00 o'clock in room one of the Home Economics building.

Members of the association will be guests of the student body in the Student Union, and tea will be served.

According to Miss Margaret Twombly, corresponding secretary, the winter membership drive is beginning, and every member is asked to add at least one new member to the lists.

#### RAINBOW CLUB

New officers of the San Jose State college Rainbow club will preside at today's meeting of the club in room 1 of the Home Economics building.

Mildred Lingchied, who was installed as club president at a Thursday night dinner at the Hotel St. Claire will be in charge.

### SIMPLICITY IS KEYNOTE

#### GOLD AND WHITE IS COLOR DESIGN

Simple, with impressive dignity, a huge figure "39" will form the center of attractions in the Civic Auditorium where the annual Junior Prom will be held Saturday evening, January 21. The design, to which streamers of gold and white will be drawn, will be placed parallel to the floor over the heads of the dancers, forming a false ceiling.

Potted plants will give an added touch of gaiety to the hall, with colored lights playing on the numerical and streamers throughout the evening. The decorations will carry out the colors of gold and silver and will be in harmony with the bids which went on sale Monday. Jack Hilton, past prexy of the

class, has been placed in charge of decorations and he promises that the hall will be attractively converted into a colorful setting in keeping with the principal activity to be sponsored by the Junior class this year.

#### FIRST NOON HOP

Taking advantage of the "spring weather", the first noon dance of the quarter will be held in the Quad tomorrow at 12:30. An orchestra, new to noon dancers, is promised by Jack Wiles of the social affairs committee who indicates that truckin' and informal dancing will be in order.

# Heavyweights Not To Meet In All-College

## CAGERS PREPARE FOR COLLEGE OF PACIFIC

PRACTICE GAME WITH Y. M. I. PENDING

Although it is not known definitely whether the Spartan varsity cagers will engage in a practice game this week, Coach Hubbard yesterday afternoon sent his charges through intensive drill in beginning preparations for the College of Pacific invasion Saturday night.

A possibility that the San Francisco Y.M.I. may play tonight was expressed by Graduate Manager Gil Bishop, although no answer had been received last night. Regardless of practice conflicts, Hubbard plans to start from the beginning again and work up to the COP clash Saturday.

A bit dissatisfied with the showing of his quintet against the Broncos last Friday night, the Spartan mentor may do some wholesale shifting in order to find his best combination. It was apparent that the locals were in a decided slump against the Santa Clara outfit, and this week's practice sessions should do much to restore the confidence noted in non-conference affairs during the past two weeks.

No doubt struck a little by stage fright in the huge auditorium Friday night, the San Jose basketballers should find Spartan Pavilion more to their liking when they play host to Stockton's Tigers in the second conference tilt for the locals, and the third in a row for the College of Pacific men.

Last season the Hubbard-coached Spartans dumped Pacific's hopes in two tilts, and they will be out to defeat their traditional rivals and also crash the win column in the Northern California Intercollegiate basketball conference.

## Unbeaten Frosh Take Menlo For Ninth Straight

Coach Larry Arnerich's Spartan freshman cagers won their ninth straight victory Saturday night, defeating Menlo Junior college 43-24 in an unpublicized contest at Menlo.

Not listed on the schedule, and even unknown to some of the members of the college physical education department, the game maintained the undefeated record of the San Jose yearlings.

### FROSH REST

Arnerich was not altogether satisfied with the showing of the Spartan Babes, who took a slight slump after their second half victory over Santa Clara Friday night. Believing the squad to be in need of a rest, the freshman mentor called off practice yesterday afternoon but will resume work today in preparation for the double header tomorrow night.

Menlo Jaycee will play a return game tomorrow evening while Cal Poly will face the "Mighty Mites" in the other half of the bargain bill scheduled for the Spartan Pavilion.

### CAL POLY STRONG

Cal Poly lists an impressive record with five victories against one defeat, while scoring 235 points to their opponents' 116. The single reversal was a 33-32 setback from Santa Barbara.

The Spartan freshmen will play Madera high school in a preliminary game Saturday night when the varsity meets College of Pacific.

FOOTBALL MEN: Individual pictures of each team will be taken in the Science building basement Friday afternoon from 4 to 6. There will be no charge. If any member of the squad is unable to be there please come to the Publications office to arrange a suitable time.

—Art Van Horn, editor.

## Seven Title Bouts; Six Exhibitions Now Definitely Slated

### MORE PROMINENT SPORTS TAKE HEAVIES

Late yesterday afternoon it was decided once and for all that it would not be advisable for Bill Radunich and Don Presley, the two outstanding threats to Don Walker's heavyweight throne, to enter the All-College boxing tournament due to participation in other athletic events.

Bowing to two more prominent college sports, basketball and track, boxing is stepping back out of the picture of the two newer heavyweight threats on Washington Square for the time being at least.

This decision proved to be a disappointment to both Walker and the two who would like to ascend his throne. Presley and Radunich were eager to enter the ring with the defending champ who, in turn, was anxious to prove that he was still the best man.

Late in February when the current basketball season is over Radunich and Walker might meet for the right to represent San Jose State college in the Pacific Coast Intercollegiate tournament.

In the meantime Coach DeWitt Portal has lined up 13 bouts for the annual All-College tournament and promises to find one or two more exhibitions before the week is up. Seven of these bouts are to be for the college championship and six will be billed as exhibitions.

So that the fans can get a glimpse of some heavyweight battle, Don Walker is going to meet Hank Rosensieg in an exhibition. Rosensieg won the recent novice tournament and is a likely looking prospect for Coach Portal's freshman squad.

Ed Grant and Frank Lavoie who were to fight for the novice championship in the middleweight division will settle their quarrel also in a bout billed as an exhibition.

SAN JOSE, CALIFORNIA, TUESDAY, JANUARY 11, 1938

## ATHLETIC LIST FOR FALL AWARDS PASSED BY STUDENT COUNCIL

### FIVE TEAMS TO BE HONORED WITH PRESENTATION ASSEMBLY

Athletic awards for the fall quarter were approved last night as the student council voted to accept the list submitted by Graduate Manager Gil Bishop. Over one hundred men, composing five teams, will be honored at an award assembly to be held February 10.

Soccer, freshman and varsity water-polo, and freshman and varsity football were the teams named on the list recommended by the Award Committee.

### SOCCER AWARDS

VARSITY HONOR — Captain Pitcher, Olavarri, Harper, Marsh, Crotser, Hodgson, Javrotsky, Nasimento, Nepote, Pavioni, H. White, T. White. SERVICE HONOR — Holtorf, Rouyet, Radunich, Martella, Kelly, Herman. FRESHMAN HONOR — D. Morgan, W. Morgan, S. France, R. Paulson. MANAGER AWARD — Jud Stull.

### FRESHMAN FOOTBALL

Captain Simoni, Buckingham, Abdallah, Scalletta, Stickle, Smith, Pastor, Bonanno, Berger, Butero, Lutz, Hanna, Van Proyen, Miller, Edgemon, Rishwain, Lindner, Hansen, Daugherty, Whitman, Aiton, Saunders, DeCruz, O'Grady, Wingham.

### WATER-POLO AWARDS

VARSITY HONORS — Captain Withycombe, Garcia, Hammond, Locks, Savage, A. Wempe, M. Wempe, Windsor. SERVICE HONOR — Eldridge, Leslie, Tuxford.

FRESHMAN HONOR — Curran, Foster, Duttweiler, Johnston, Sammon, C. Stager, R. Stager, Emerson, Moore, Kirtley. MANAGERS' AWARDS — Junior, Johnson. Soph., Sweeney, Rhodes.

### VARSITY FOOTBALL

HONOR AWARDS — Berry, Boucke, Bronzan, Buffa, Drexel, Ferreira, Hamlow, Lavagnino, Lentz, Lewis, Perego, Manoogian, Presley, Price, Sanders, Birlam, Carpenter, Collins, Hilton, McPherson, Rocchi, Thomas, Voorhees, Wattenbarger.

SERVICE HONORS — Anderson, Baer, Ballard, Carmody, Cranford, Mosiman, Reginato, Ratheke, Smith, Staley, Weaver, Johnson. SENIOR MANAGERS — Cassera, Hill, Work.

## SWIM CAPTAIN MAKES SPEEDY TRIAL RECORD

By BEN JOHNSON

What with all the rumpus about four new swimmers from Southern California joining the Spartan tank team, your scribe had almost forgotten about Sparta's captain and leading collegiate contender to backstroke honors in the bay region . . . Howard Withycombe.

However, Coach Charlie Walker brought us to our senses the other day by commenting that Captain Howie was paddling his way over three lengths of the Spartan tank in faster time than he turned in last season. His time over the 75 yard distance was unofficially clocked around 48 seconds which if the average was maintained for 100 yards, would bring the time below the present school record . . . which record Howard holds, by the way.

Of course the average usually decreases in the final lap thus slowing up the time, but the season is yet young, and by the time the first meet rolls around on the 21st, he ought to be tugging at the leash and ready to go.

As an added incentive to Withycombe this season, he will be constantly pushed by that up and coming sophomore dorsal merman, Jack Butler, who although he has done nothing sensational in practice, will send his captain to the limit when they meet in actual competition.

## Raffle Winners Announced

Number 886; number 970; number 1183. These are the lucky numbers called out at the Civic Auditorium Friday night, and to those holding these tickets, merchandise orders await.

The raffle was sponsored by the varsity basketball team to raise money for traveling jackets, and the prizes are being donated by Leon Jacobs, Roos Bros., and San Jose Hardware.

According to Willie Radunich, chairman of the ticket sales, number 886 has already been claimed, but the other two tickets are still awaiting owners.

The deadline has been set for Wednesday at one o'clock for owners to claim remaining tickets. After that time, one number higher, 971 and 1184, will be declared the winning tickets. Owners may make themselves known at the Publications office.

## WRESTLERS PREPARING FOR MEET AGAINST S. F. 'Y'; SET FOR FRIDAY EVENING HERE

Friday night is wrestling night at San Jose State college as Coach Gene Grattan turns loose his herd of grapplers against an invading troupe representing the San Francisco YMCA. Spartan Pavilion is the scene of the tussles.

For the past two weeks Grattan's men of muscle have been conditioning themselves nightly. Spartan followers believe this

year's squad will more than hold their own against coast competition. San Francisco's Y squad will determine largely just how good Grattan's cohorts are.

Several of last year's championship team are again back and Grattan is putting much faith in them. Jack Smith, Jack Fiebig, John Jones, Martin Olavarri, Melvin Rush, Sam Della Maggiore, Carleton Lindgren, Martin Sward, and Joe Reginato are but a few grapplers who hope to prove their worth to San Jose partisans.

At present Grattan has a squad of 16, but he still welcomes any newcomers who desire a place on the varsity. Anyone weighing 118 pounds is especially urged to show up as last year's entrant in that division, Henry Puckett, left school and there is at present no one to take his place.

### FROSH WRESTLE

On the same program Friday evening, and as a preliminary to the varsity meet, the freshman wrestling squad engages Modesto Junior college. Not much is known about the State yearlings, but observers claim they have a well-balanced troupe and will make things mighty interesting for the visiting aggregation. Coach Abe Jessup of the Modestans is bringing up a squad of seven men.

## College Fencing Club Plans Made

Information that there may be two fencing groups instead of one to take care of those who cannot be present on Tuesdays and Thursdays at 11 was released today by Mrs. Sarah Wilson, advisor for the Fencing club.

At the first meeting of the year last Thursday there was a good turnout of enthusiasts, mostly unacquainted with the ancient art. The club is open to both men and women students. Equipment is furnished.

Mrs. Wilson requests that any students who are unable to attend the Tuesday-Thursday meetings to see her so that a suitable time may be arranged.

## INTRAMURAL SPORTS

By DAN O'NEILL

Today at 12:15 the intramural badminton tournament begins. Tiny Hartranft has arranged for six matches to be played in the men's gym, with the first 12 contestants that signed up being the ones to play in the opening round. These will include Morris Manoogian, Joe Reginato, Bob Locks, John Holtorf, Ralph Johnson, Vernon Larson, Tony Nasimiento, George Aihora, Price Geeler, Ray La Rue, Helton Harper and Wesley Hughes.

The other entries will play at a later date, probably Wednesday.

# BOND ISSUE PASSAGE SOLUTION OF HOUSING PROBLEM

## Increasing College Enrollment Pressing On Building Space; High School May Be Obtained

SCHOOL REGISTRATION HAS DOUBLED IN THE LAST TEN YEARS, STATES T. W. MACQUARRIE

Solution for San Jose State college's "growing pains" is seen by Dr. Thomas W. MacQuarrie in the passage of the bond issue coming before San Joseans on February 1.

"If San Jose State is to expand as it should, it must have all of Washington Square," President MacQuarrie declared.

### ENROLLMENT DOUBLES

The local college has more than doubled its enrollment in the past

## REV. GOULD TO SPEAK TODAY AT "Y" FORUM

### LECTURER SERVED ON INSTITUTE BOARD

Guest speaker for the YWCA and YMCA Open Forum today will be the Rev. Benjamin Gould of the First Congregational Church. His topic will be, "The U. S. and the World — which road?" The forum is scheduled for 12 o'clock in Room 2 of the Home Economics building. Time is to be permitted for discussion at the conclusion of Mr. Gould's talk.

Mr. Gould, a native of England, has a special interest in the relations of the United States with other countries of the world, and is well informed concerning present-day trends in the foreign policy of this country.

For the past two summers he has participated in the Institute of International Relations at Mills college, and has also served as State Chairman of the Social Action Board of the Congregational church.

### NOTICES

#### HANDBOOK LOST

Lost: one "Red Cross" First Aid Handbook. I borrowed this book, so won't you let me return it? If it is in your possession, put it in Box 'H' in Co-op. Thanks.

—Howard Hazeltine.

#### DE MOLAYS MEET

Yal Omeders . . . Meet in room 27 of the Home Economics building today at 12:30 sharp. Bring another De Molay with you.

—Prexy Harter.

#### RING LOST

A sterling silver college ring, in the typing room Friday. Finder please return to Paul Tara or Lost and Found.

Attention all seniors! Thursday, January 13, will be the last day any one will be able to enter Senior Orientation and receive full credit for attendance this quarter.

No senior is excused from this course except by special arrangement in the Personnel office. A check is being made of all prospective graduates for this year who have not yet entered the course.

ten years and adequate increases in building facilities and faculty members have not kept pace with the growth in students, Mr. Joe West, college registrar, declared.

"From 8 o'clock until 2 on Monday, Wednesday and Friday there is not a single vacant classroom in the college," West declared.

### HOUSING PROBLEM

"Approval of the school bond issue by San Joseans would not only be a means of relieving an acute housing problem at the college, but would solve one no less acute for the high school," Dr. MacQuarrie pointed out.

"The local college has a commercial value to San Jose business now well over a million dollars. As the college expands, this commercial value becomes more and more significant. It would seem to be a matter of good business to foster as much as possible the future growth of the State college," MacQuarrie said.

### FUTURE GROWTH

"Old departments will grow, new ones will be formed. It's no exaggeration to say that our enrollment will soon be 4000, that is if we can obtain facilities to accommodate this number of students.

"In other words we have reached the limit of our usefulness. Our one opportunity to expand is to take over the corner now occupied by the San Jose high school. The high school is too small for the high school—but the college can use it and needs it now," MacQuarrie pointed out.

## WHAT! FEEBLE PROFS SKATE?

JANUARY 20 AT RINK  
YES SIR! ROLLER DATE SET

Who says the faculty is a group of feeble old professors? Feeble or not, they are all going roller skating on January 20, or so they say. Next thing they'll be having

### 'Behind The News' Class Called Off

There will be no Behind the News class today, according to Dr. William Poytress, head of the Social Science department and instructor of the course. The Little Theater will be turned over to the Women's Physical Education department for discussion of the American Youth Hostel Movement which the department is sponsoring in this area.

"I hope that all my students will attend the meeting," Dr. Poytress stated, declaring that women P. E. majors are expected to be there if possible.

There will be a meeting of the men's modern dancing class tonight in the women's gym from 7:00 to 9:00. All members please be present.—Margaret Lucas.

### KINDERGARTEN-PRIMARY

Will the girls in Miss DeVore's Kindergarten-Primary group, from E through K please meet in Room 2 in the Home Economics building Wednesday at 12 o'clock. Bring your lunch.

—Barbara Gwinn, chairman.

## Summer Faculty Named

### What's In The News

By BEN HITT

#### Roving Eye

While the American state department has both hands and all auxiliary pails full with the world's variously centered open political sores, it is apparent that a spare eye is keenly and critically kept roving the Tia Juana-Pategonia terrain due south of here.

#### 28c Worth Of Peso

Last week came the little commented on, but highly significant, notice of a new U.S.-Mexican currency pact; significant because it places the U.S. stabilization fund behind the peso with assurance that the twenty-eight cent level will be maintained. Not only is the new pact a hearty move toward profitably cementing that bond of Pan-American "good neighborliness" pledged at Buenos Aires December 1935, but it angles a noose over the shoulders of the promised Mexican counter-revolt.

#### Exclusive—Explosive

Since Japanese censorship dropped the veil over war zone wire centers, news service dispatches, of course, bear about as much vitality as last year's weather reports. Odious in their own right, however, were a number of "exclusive" war reports appearing in a handful of Yankee papers last week. With no wire-service taglines at all, the stories—accusing Japanese troops of atrocities and violations of captured victims—rang with the same propagandistic fervor of 1917's more synthetic "correspondence".

## Fourteen Outside Instructors To Teach During 1938 Session

FIVE GUEST PROFESSORS NEW TO SAN JOSE STATE COLLEGE

Fourteen outside instructors will be among the faculty of the 1938 San Jose State college summer session. Five will be new to the college.

New to the summer school faculty are Agnes Boysen of Minneapolis; Dr. Violet Stone of Los Angeles; H. W. Distad, associate professor of elementary education at the University of Akron, Ohio; Ida Vandergaw, Oakland kindergarten supervisor; and George C. Bruntz, Los Gatos high school principal.

## State Students On Air Tomorrow

Tomorrow afternoon at five o'clock, the next in a series of "Have You Heard?" programs will be presented over radio station KQW. Playing the roles of the Friendly Guide and the girl interviewer will be Wilbur Korsmeier and Dorothy Leverenz, both members of Kappa Alpha Sigma, honorary radio speaking society.

This fifteen-minute program will attempt to prove that there is no basic difference between plants and animals. Many letters have been written in with arguments disproving the statement that basically, animals and plants are the same.

## Dance Techniques To Be Demonstrated By Orchesis

The techniques that will be required at tryouts for Orchesis January 20 will be demonstrated and led by Orchesis members at today's meeting of Junior Orchesis in the Dance Studio at 5 o'clock.

Junior Orchesis was created for the enjoyment of women students who are interested in dancing. There are no objectives or requirements, although frequently members of this group are working toward admission to Orchesis, honorary dance society.

Anyone who is interested in participating in the group is invited to attend the meeting today.

## SIGMA DELTA PI TO HOLD MEETING

Wednesday evening at 7:30 Sigma Delta Pi, Spanish honor society, will hold the first meeting of this quarter. This gathering is to be held at the home of Miss Theta Goldsmith at 340 South 16th street.

President Angela Hernandez urges all members to be present as the meeting will be very important. All of those who need transportation should contact Miss

### ENTOMOLOGY CLUB

The Entomology club will meet Wednesday at 12:30 in room S213 to discuss plans for a field trip.

### PRESBYTERIAN CLUB

The Presbyterian Campus club will hold its first meeting of the winter quarter Thursday noon in room 1 of the Home Economics building. Be there.

—Barbara Anne Crawford.

## State Students On Air Tomorrow

Agnes Boysen, well-known translator, lecturer, and author, will teach a course titled "The Principal and His High School".

Dr. Stone will teach classes in remedial and the teaching of English in elementary schools. He is counsellor of the adult guidance services in Los Angeles and holds a research fellowship at the University of Southern California.

Courses in philosophy of education and educational psychology will be taught by Distad. Ida Vandergaw will instruct classes in the modern method of teaching, children's literature, and primary reading.

Bruntz' courses will deal with current international problems, the contemporary Far East, and contemporary Europe.

Other guest instructors are Walter Bachrodt, city superintendent of schools; Margaret Girdner, Gail (S.F.) high teacher; Lucile Ferrara, former Fortuna high art instructor; A. H. Horrall, assistant city superintendent of schools; Helen Kalas, San Jose vocalist; Elizabeth Wheeler, Pasadena junior college instructor; Philoma Goldworthy, city superintendent of art instruction; Pearl Weaver Guild, San Jose junior high teacher; and Elmarie Dyke, Monterey county rural school supervisor.

## Staters Contact Arctic Expedition

Members of the San Jose State college Radio club have been contacted by short-wave radio the McGregor Expedition which is now in Etah, Greenland, Jack Friess, vice-president of the club, announced yesterday.

The McGregor Expedition, which is from New Jersey, is in the Arctic Circle to determine the theory that most of the storms which prevail over the United States come from the North Magnetic pole. They have call letters OX2QY.

McGregor announced in a recent communication with the Radio club that the expedition has been in Greenland for over six months and plans to come home in two months on a wind-jammer, as soon as the ice breaks.

The expedition has often been heard over the Red Network of the National Broadcasting company.

## SANDWICH BREADS
